

ProWare®

Clean, Store, and
Serve with Confidence

Introduction to ProWare™

ProWare products have key features that stand out in the marketplace. ProWare lines have been rounded out with more complete sizes and offerings. Market positioning at the highest quality /most competitive pricing placement.

Table of Contents

STAINLESS STEEL FLATWARE p. 3, 4

- ProWare flatware pays particular attention to the elegant shapes and curvature of flatware
- More universally appreciated by chefs and operators than competitor shapes of similar pattern
- Whether mirror finish on heavier pieces or vibro finish on Dominion, Windsor and Elegance, ProWare flatware has much smoother finish
- More so than competitors, ProWare flatware is truer in weight, size and the standard 3.0 thickness at the neck of dinner forks and spoons

SHEET PANS p. 5

- Sheet pans are an industry ProWare best seller line, manufactured at the highest quality at the most competitive pricing

ALUMINUM FRY PANS p. 5

- Heavyweight 3.5mm thickness resist warping with high heat use
- Triple riveted in "V" formation prevents handle from loosening, with frequent flipping of pan
Larger rivets for longer lifespan of pan
- Heavier weight handles for comfort
- Oven safe 450°F rated silicone handles

ALUMINUM STOCK POTS & SAUCE PANS p. 6

- ProWare cookware is highly competitive for its price point.
- Versus other import brands, this line is deep drawn and made with mold instead of on a spin machine. Longer lasting shape and will not warp with high heat usage.
- Versus other 3003 aluminum cookware, the ProWare series has better heat conductivity and heats up faster and more evenly.
- Larger, heavier, and better riveted handles for extra sturdiness.

STEAM PANS p. 7

- True 22 gauge steam pans are the heaviest weight of the common weights. More dent resistant than lighter weights.

STAINLESS STEEL FLATWARE

Continental

- Extra Heavy Weight
- Mirror Finish
- 18/0 Stainless steel

ITEM	DESCRIPTION	LENGTH	UOM	CASE

18588	5 Qt. Aluminum Sauce Pan	9-3/4" x 5-1/4"	Each	12
18589	7 Qt. Aluminum Sauce Pan*	10-1/2" x 5-3/4"	Each	6
18586	10 Qt. Aluminum Sauce Pan*	11-1/2" x 5-3/4"	Each	6

*Comes with welded helper handle

NSF HEAVYWEIGHT ALUMINUM STOCK POTS

18592

- 4.0 mm, 3/16" thickness
- Best quality and prices in their class
- Extra thick reinforced rim and bottom to stand up to any amount of water and usage
- Deep-drawn structure for better strength and durability
- Thicker handles made lifting and carrying heavy pots easier
- Made of 3003 aluminum - excellent for fast and even heat distribution
- NSF listed

ITEM	DESCRIPTION	SIZE (DIA X HEIGHT)	UOM	CASE
18594	8-1/2 Qt. Aluminum Stock Pot	10" x 6-1/2"	Each	1
18590	10 Qt. Aluminum Stock Pot	10" x 7-1/2"	Each	1
16130	12 Qt. Aluminum Stock Pot	10" x 9"	Each	1
16131	20 Qt. Aluminum Stock Pot	12" x 10-1/2"	Each	1
18591	24 Qt. Aluminum Stock Pot	12" x 12-1/4"	Each	1
18592	32 Qt. Aluminum Stock Pot	13" x 14"	Each	1
18593	40 Qt. Aluminum Stock Pot	14" x 15"	Each	1

NSF STAINLESS STEEL STEAM TABLE PANS

- Anti-Jamming pans available in all gauges straight sided pans available in standard weight
- Every gauge weight is made of 18/8 stainless steel
- NSF listed

Anti-Jam 22 Gauge
